TO: Doug Feith
FROM: Donald Rumsfeld
SUBJECT: North Korea Talks

I would like to see a piece of paper that shows precisely what was presented in the North Korean talks. I never did get a good report back as to what happened. The report I got from Condi when I was meeting with the President is different from what you said. I think you said they went with the original proposals. She claims they walked it back after my memo.

What is the truth? I cannot sort it out.

Thanks.
