TO: Steve Cambone
cc: Paul Wolfowitz
FROM: Donald Rumsfeld ₃ /
SUBJECT: Opportunity

381

Now is the time to fix intel, to reorganize the CINCs, to reorganize our forces in Europe and Asia, to accelerate Army transformation, to reduce headquarters and to get homeland defense humming. There may be other things we could do as well.

Let's quickly set a meeting and talk about it.

Thanks.
