CC: Gen Pete Pace  
Steve Cambone  
LTG Michael Maples  
The Honorable John Negroponte

FROM: Donald Rumsfeld *D.A.*

SUBJECT: Intelligence Capabilities in Iraq and Afghanistan

I have no visibility into the intelligence capabilities of either the Afghan government or the Iraqi government.

I would appreciate an update. Are we making progress? Are they capable? Is there something we should be doing? What are others doing?

I look forward to hearing from you.

Thanks.
