TO: Paul Butler
CC: COL Steve Bucci
FROM: Donald Rumsfeld
SUBJECT: WMD Commission

I would like a phone call with Larry Silberman today.

I would like my staff to find out the answers to these questions and tell me today:

1. The members of the Commission.
2. The charter (what their assignment is).
3. What is their timetable?
4. Who has testified?
5. Who should I take with me (probably the Chairman)?
6. Do you have to have prepared testimony?
7. Are you sworn in?
8. Who from DoD has gone? I want to talk to someone from DoD who went there, and find out how it works, what the setting is.

Thanks.
