Dear Al:

I suspect from your letter that you may be embarking on a campaign to beat that evil Democratic machine in New York City. Which seat are you seeking? I hope I interpret your letter correctly that you are in fact funning for Congress.

I can't think of anything more exciting than having your bubbling, enthusiastic, energetic personality permeating the dark corridors of the national legislative chambers.

Best of luck. Keep me informed. If you want me to come in and campaign against you, I will be happy to.

Regards,

Donald Rumsfeld,
Representative in Congress
