FOR SECRETARY OF DEFENSE

FROM: Peter W. Rodman, Assistant Secretary of Defense (ISA) PR 05 APR 2005

SUBJECT: VOA Broadcasts to Iran

- In the past, you asked about the possibility of DoD responding to the request of Seth Cropsey at the International Broadcasting Bureau for funds to increase VOA's Farsi TV broadcasts to Iran,
- The International Broadcasting Bureau has now included the request for these funds in its own appropriations requests for the 2005 supplemental and the 2006 budget. DoD participation is no longer required.
