TO: Gen Dick Myers  
Gen Pete Pace

FROM: Donald Rumsfeld

SUBJECT: Casey's Plan

We simply have got to get closure on Casey's plan with clarification, details, support, and conviction on your part and my part.

Then we have to schedule a meeting with the President and present it to him.

When we do so, we have to have a communications plan and make it clear to the American people that something has stopped and something new has started and it reflects the progress that has been achieved.

I would like to do it within the next ten days.

Thanks.
