

January 18, 2005

TO: Steve Cambone
FROM: Donald Rumsfeld
SUBJECT: NRO and Under Secretary of the Air Force

We are starting to look for people and we need to get closure on whether NRO and Under Secretary of the Air Force are together or apart.

Please make sure you develop some conviction and give me your thoughts. And then we ought to be sure to discuss it on Friday with Porter Goss.

Thanks.
